

REMARKS

The species of the invention defined by claims 3-7, 19-23, 25-28, 31, 32, 65, 93-101, 130-133, 135-143, and 169-174 is elected. These claims cover a playlist server system that supplies a playlist response to a client device which exchanges information and stores ads or receives ads (see claims 1, 24, and 126) in which a current playlist at the client device is replaced by a new playlist. Claims 3-7, 19-23, 25-28, 31, 32, 65, 93-101, 130-133, 135-143, and 169-174 read on the species.

Claims 8-18, 24, 29, 30, 33-64, 66-92, 102-129, 134, and 143-168, directed to non-elected species, have not been cancelled. Consequently, all originally-filed claims remain in the application. This election is made without prejudice to the non-elected species.

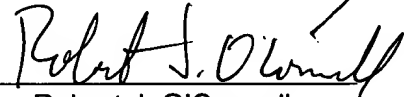

A Petition to Extend Time and the appropriate fee for the extension are submitted herewith to extend the response period for the Requirement by one month, from November 29, 2003 to December 29, 2003.

The applicants await the first examination.

Respectfully submitted,

Dated: December 29, 2003
